

# Casablanca Municipal Support Program - Additional Financing

2022 - 2026

**World Bank**

Morocco

---

## NATURE BASED SOLUTIONS

urban green spaces

The Program Development Objective (PDO) is to increase the investment capacity of the Municipality of Casablanca, improve the business environment in the city, strengthen the city's resilience to climate change and enhance access to basic services in the Program Area. The project aims to upgrade and extend green spaces with an inclusive design approach.
